Camp Registration

Registration Day ~ Saturday, April 10th

2006 Camp Brochure prices are offered on this day only.

How it works (You'll be surprised how easy it really is!):

Prior to the **April 10th** registration, we conduct the “**Camp Lottery**”. From **February 10th – March 25th**, you may call the Lobby Office or the Athletic Office and register to be placed in our “**Camp Lottery**”. Lottery numbers and timeslots are assigned and mailed after March 25th. Please bring your lottery form with you on April 10th. Only one submittal per family is allowed. Selection and assignment of timeslots and numbers are random, so it does not matter if you register on the first day or the last. Those who purchase or have valid “Family” Memberships by March 25th are assigned timeslots to register on April 10^h between 9am – 10am. If you have registered for the Camp Lottery as a Non-Member, you will be assigned a timeslot and number to register on April 10^h, between 10am – 11am.

If you miss the “Camp Lottery” registration dates, no worries! You may come in as early as 9am on the April 10^h **Registration Day** and be assigned a number to register after 11am. You are welcome to stay or return before 11am. Registration remains open until 12 Noon.

Open Camp Registration resumes on or after April 15th. 2010 Camp Prices in effect.

Please refer to the Camp Office Hours above for days and times.

To Register for Camp Programs:

Registration for all camps must be in person.

Payment in **full** by **cash** or **charge** is due at time of registration.

Checks will be **accepted** on **April 10th ONLY!** Checks may be made payable to: Casperkill. There is a \$30 charge for returned checks.

Discount Program Requirements

1. **New Family** – is any family that **did not** participate and/or purchase any 2009 Camp Programs at Bright Horizons At Casperkill.
2. **Minimum Camp Purchase** – To receive any of the above discounts, it is required that each child registering per family must purchase a minimum of 4 weeks of full day camp programs (this would include purchasing a morning and afternoon mini camp in the same week for the same child to make a full day program). You may purchase additional camps with your discount, April 15th and after by going to the Front Lobby Office only.
3. **Eligibility** - To be eligible for any of the above discounts, all parties involved must register for the discount program between **February 10th & March 25th** (Camp Lottery Registration) by calling the Lobby Office at 463-6400. It is suggested that one person call with everyone in their group's information (name, address, phone number and whether they hold a "Family" membership at Casperkill. Your registration time on April 10th will be 9am – 10am if one person in your group has an eligible "Family" membership at Casperkill. If everyone in the group are non-members you will be scheduled to register between 10am – 11am. Eligibility must be confirmed with the Lobby Office prior to

receiving the discount. If you were unable to sign up for the discount program between February 10th and March 25th and want to register for camp on April 10th, you must go to the Lobby Office starting at 9am to be assigned a timeslot and number to register and verify the groups discount eligibility. You may still participate in this program on or after April 15th when open registration begins. Again, all eligibility and sales of these discount programs must be made through the Lobby Office.

4. **Pricing** – If the child you are registering for is a “Family Member” of Casperkill (member rate applies to each camp week that the membership is valid through), then you will receive your discount off of the “member” rate for that camp. If the child you are registering for does not have a membership, you will receive your discount off of the “non-member” rate for that camp. Please be reminded that for each child you must meet the Minimum Camp Purchase to receive your discounts.

Each family participating in any of the discount programs must register together in their discount group.
